ANCA Leo Sarkisian Internship 2017

WASHINGTON, DC | June 19 - August 11

Established in 1986, the ANCA Leo Sarkisian Internship Program has been a cornerstone of the ANCA's nation-wide efforts to educate, motivate, and activate Armenian American youth to expand advocacy efforts in their home towns and campuses. Named in memory of the late ANCA Eastern US community leader who spearheaded grassroots activism to advance the Armenian Cause for more than four decades, the Leo Sarkisian Internship (LSI) Program now has hundreds of alumni across the world, spreading the message of truth and justice for the Armenian Genocide, freedom for Artsakh, and a secure, prosperous, and democratic Armenian homeland.

During the eight week Washington, DC program, interns live at the ANCA Hovig Saghdejian Capital Gateway House, located a short distance from the ANCA National Headquarters. The participants work on a wide variety of projects based on their individual interests, while gaining hands-on experience within the American political system. A bi-weekly lecture series features guest lecturers including Members of Congress, ambassadors, and Armenian American leaders.
