Re: **Valley of the Wolves - Iraq**

Below please find several excerpts from a recent article on “Valley of the Wolves - Iraq,” a profoundly disturbing film that enjoys the support of top Turkish government leaders.

Anti-Semitic Turkish hit movie slammed

Film shows American-Jewish doctor extracting kidneys from Iraqis for use in Israel and the U.S.; Filmmakers: Movie based on real events in Iraq

- “Calls have been made to boycott the film due its anti-Semitic and anti-American themes.”
- “The film’s plot revolves around a ‘Turkish Rambo’ in Iraq, who seeks to take revenge against the arrest of a group of Turks by the Americans in Iraq.”
- “It contains scenes of abuse and violence, carried out by actors playing U.S. soldiers against Iraqi civilians.”
- **“In one scene, an American Jewish doctor is seen removing kidneys from the bodies of Iraqis for implants in Israel and the U.S. Makers of the film claim that the plot is based on ‘real events’ in Iraq.”**
