Re: **Rep. Schiff to host screening of Armenian Genocide documentary**

On Tuesday, April 4th, Congressman Adam Schiff will host a special Capitol Hill screening of “**The Armenian Genocide**,” a film on Turkey’s systematic murder of over 1.5 million Armenians from 1915-1923. The documentary is narrated by **Julianna Margulies** and includes historical narrations by **Ed Harris, Natalie Portman, Laura Linney** and **Orlando Bloom**, among others.

The screening for Members of Congress, their staffs, and members of the Washington, DC foreign policy community will be from 6:00 - 8:00 pm on April 4th in the Mary Pickford Theater in the James Madison Memorial Building of the Library of Congress. RSVP to Congressman Schiff’s office.

**The Armenian Genocide** is the complete story of the first Genocide of the 20th century - when over a million Armenians died at the hands of the Ottoman Turks during World War I.

This unprecedented and powerful one-hour documentary, scheduled to air April 17, on PBS, was written, directed and produced by Emmy Award-winning producer Andrew Goldberg of Two Cats Productions, in association with Oregon Public Broadcasting.
