* The U.S. is on record as having officially recognized the Armenian Genocide, in the United States Government's May 28, 1951, written statement to the International Court of Justice regarding the Convention on the Prevention and Punishment of the Crime of Genocide; through President Ronald Reagan's April 22, 1981, Proclamation No. 4838; and by Congressional legislation, including House Joint Resolution 148 adopted on April 8, 1975, and House Joint Resolution 247 adopted on September 10, 1984. The Obama Administration, despite repeated campaign pledges by the President, has yet to recognize the Armenian Genocide.
