

# **THE IMPORTANCE OF BERDZOR, AGHAVNO, AND THE LACHIN CORRIDOR**

- **Berdzor and Aghavno are the first population centers entering Artsakh.**
- **These lands are strategic positions for the protection and safety of the Armenian people.**
- **Azerbaijan aims to forcefully remove the indigenous Armenians of Berdzor and Aghavno through an ultimatum of violence.**
- **These Armenian communities are deeply rooted in their cultural youth programs, music, and art with further plans of development and growth.**
- **There are currently hundreds of families living in Berdzor and Aghavno, all of whom would be ethnically cleansed from their homes.**

- **The Lachin corridor serves as the artery between Armenia and Artsakh.**
- **It is a vital transportation route that is essential for the socio-economic well-being of the Armenian Nation.**
- **It is the only secure means of transport for Armenians coming in and out of Artsakh.**
- **To lose this corridor would be to cut off Artsakh from the rest of the world.**
